

An aerial photograph of a lush green landscape. The foreground is dominated by a dense forest of tall, thin trees. Beyond the forest, the land is divided into a grid of rectangular fields by thin, dark lines, likely roads or irrigation channels. The fields are a vibrant green, suggesting they are either young crops or pastures. In the background, the landscape continues with more fields and a distant horizon under a clear sky. The image is overlaid with two large, semi-transparent circles: a light orange one in the upper right and a dark green one in the lower center.

A vibrant, futuristic forest scene. A glowing, multi-colored path (red, orange, yellow, green) winds through a dense forest of tall, slender trees. The ground is covered in lush, colorful vegetation. On the left, a complex, metallic, futuristic structure with various pipes and components is visible. The overall atmosphere is bright and ethereal, with a strong blue and green color palette. A large green circle is overlaid on the right side of the image, containing the title text. A red circle is overlaid on the bottom left corner.
